MEMORANDUM

In its May 22, 2024, Opinion and Order in this case, the Court held, among other things, that:

In passing, Christianson asked the Court to "issue confirmation of the Award in a form where it can finally be collected." ECF No. 64. The Court is not sure what Christianson is asking for and, thus, his request is **DENIED WITHOUT PREJUDICE** to re-filing with more details.

See Doc. #66, Filed 5/22/24, Page ID #1522 (emphasis in original).

Harper Holdings LLC continues in its refusal to pay the Arbitration Award entered on April 27, 2022 to Dr. Christianson. Collection and execution of those funds will be expedited by a simple one-page Judgment Entry from this Court that can be easily and readily filed in other venues and jurisdictions for execution and collection.

A proposed Judgment Entry to that affect is attached and it is requested by Dr. Christianson that the Court issue that proposed Judgment Entry in order to facilitate collection of the Judgment against Harper Holdings. Aa copy of the attached Judgment Entry was provided to counsel for Harper Holdings on Monday, June 10th requesting any objections to the same. No response has been provided by counsel as of the date of this filing.

Dr. Christianson, therefore, requests that this Court issue the attached proposed Judgement Entry consistent with the Arbitration Award.

Respectfully submitted,

/s/ Matthew S. Teetor
